TASTING NOTES

With abundant fresh, citrus and tropical fruit on the nose, this a beautifully balanced wine which just leaps out of the glass. A hint of oak lends a degree of complexity and texture and layers of fruit and straw linger on the palate. Exceptional value.

AGEING POTENTIAL

This wine should be drunk within 2-3 years of the vintage.

THE VINEYARD

Grapes were harvested from Leeuwenkuil in the Swartland and Welgegund in Wellington.

WINEMAKING

The Leeuwenkuil grapes were tank fermented using natural yeast and blended with a smaller portion of barrel-fermented wine from old vines in Wellington.

Total production 35,000 bottles.

THE STORY OF THIS WINE

Social wines to be enjoyed with friends and family, these wines are named for the den, the heart of all painted wolf communities. Flavour-packed, soft and juicy comfort wines.

Painted Wolf Wines supports the conservation of the highly endangered painted wolf (African wild dog) and the protection of the diminishing wild spaces of Africa, through its donations to the EWT – www.ewt.org.za and Tusk – www.tusk.org.
