The Den, Pinotage 2025

W.O. Coastal Region

THE STORY OF THIS WINE

The Den is where it starts. In the heart of the African bush, the den is more than a shelter, it is the hub of the pack. These wines are spirited, social, and best enjoyed with good company. They are unpretentious and simply delicious, providing a soft, juicy backdrop to the stories and laughs that happen when you finally retreat to your own den at the end of the day. It is the perfect place to begin if you are new to Painted Wolf Wines
