A soft and full-flavoured wine which balances cooler aromas of fynbos, green figs and minerality with warmer region tropical fruit aromas. This Sauvignon has a round textured mouth feel, great balance and fresh supple acidity.

AGEING POTENTIAL

This wine should be drunk within three years of vintage.

THE VINEYARD

This wine is produced from two vineyards, a cooler site in Darling and a warmer site in the Swartland.

WINEMAKING

Great care was taken to ensure that the grapes were picked at the correct time and they received the best possible attention, being blanketed with CO2 throughout the crushing and pressing process.

Total production 6,000 bottles.
