TASTING NOTES

Vibrant red and black berry aromas are lifted by a hint of Five Spice, flowing onto a medium-bodied palate with supple tannins and an elegant, lingering finish.

AGEING POTENTIAL

This wine will continue to improve in the bottle for over 3- 5 years.

THE VINEYARD

The Pinotage grapes are sourced from top vineyards in the Wellington and Breedekloof, Grenache from Wellington, Syrah and Mourvèdre from the Swartland.

WINEMAKING

The grapes were fermented in open top fermenters; all grapes were fermented separately with daily manual punch downs performed. The Grenache Noir was whole bunch fermented, and the rest of the grape varieties destemmed with around 10% whole bunches; both natural and commercial yeast was used. The wine matured for 14 months in 2nd, 3rd and older French and American wood.
